

Coming to the Rescue Since 1981

"PUTTIN' ON THE DOG" SHOW

Dear Friend of Adopt-A-Dog:

Adopt-A-Dog, Inc. is a non-profit organization based in Greenwich, CT. For nearly three decades, we have put adoptable dogs and cats together with responsible people who would like to adopt a new pet. We work in cooperation with shelters, veterinarians, and other public and private organizations and individuals, from New York City to New Haven, CT and beyond to help animals who would otherwise "get lost in the shuffle" of daily life.

Every year in September we have a "just for fun" dog show in Greenwich to raise funds for our ongoing efforts throughout the year. Dozens of companies, non pet product and pet product vendors alike, participate each year by reserving a space and setting it up with their products and information about their services.

We're busy getting ready for our 23rd annual "PUTTIN' ON THE DOG" SHOW AND FESTIVAL which will be held Saturday, September 25th, 2010; with a rain date of Sunday, September 26th, 2010. As always, we appreciate your past support. Newcomers, we welcome you to join us and wish to extend an invitation to reserve a space(s) at the show.

We would like to offer you an opportunity to join our show by reserving a space (\$200) at our event **Saturday, September 25th, 2010 (Rain date: 9/26/10)**. Gates are open to the public from 10am to 5pm. I am enclosing the forms for your convenience; two of which are required by the Town of Greenwich. *Please return all completed forms to me.* I will make sure they get to the right department in Greenwich Town Hall.

In addition to the completed forms, a Certificate of Insurance from your insurance company confirming that you have the required coverage is necessary. (The enclosed "vendor insurance agreement" form states the specific requirements.)

We look forward to having you with us. If you have any questions, please call or email me.

Thank you for your support.

Sincerely,

Marge Kingsley

RE: Adopt-A-Dog's, 'Puttin' On The Dog" show, on Saturday, September 25th 2010 (Rain Date: 9/26/10), 10am to 5pm at Roger Sherman Baldwin Park in Greenwich, CT

Please plan to arrive Saturday, September 25th (rain date 9/26/10) before **8:00 AM**, so you have ample time to set up. If you arrive after 8:00 AM, your car/van/truck will not be able to get onto the field to unload. Even if you don't require much setup time, still arrive before 8:00 AM. The same applies for the rain date.

Attached are maps (not drawn to scale) to illustrate the show location at Roger Sherman Baldwin Park, in Greenwich, CT and a brief description of the park. Traffic in town on Saturday mornings is minimal, so once you've unloaded, you are asked to park your vehicle in the Horseneck commuter lot across I95 to allow ample parking for show visitors and guests. ***Please note that vehicles are required to be off the field by 8:45 AM.***

DIRECTIONS via I-95 from CT and NY: Take Exit # 3. Coming from northern CT, turn LEFT off the ramp; proceed under I-95 and the entrance to the field will be on your RIGHT, next to a brick building. Coming from NY, turn RIGHT off the ramp and the entrance to the field will be on your RIGHT, next to a brick building. If you come to Steamboat Road, you have gone too far.

All of us at Adopt-A-Dog, Inc. really appreciate your support; we're looking forward to a great show! If you have any questions, please email or call me.

Roger Sherman Baldwin Park

Here is a small treasure in central Greenwich, a waterfront 6.3 acre park along with a glorious view of Greenwich Harbor and Long Island Sound, and unusually accessible to the public, close to the train and I-95 exit 3 ramp, near ample parking.

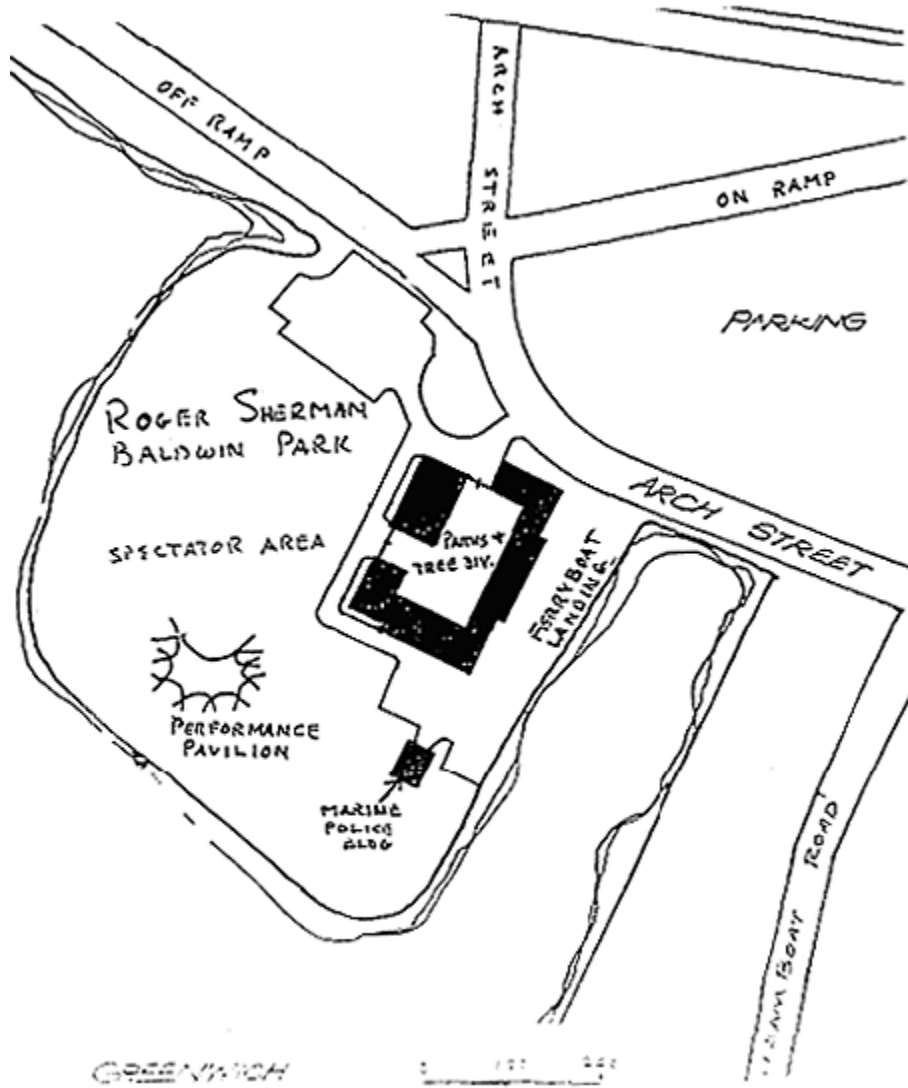

True to its 1952 formal plan, the Park is devoted largely to grass lawns, shrubs and trees. It is ideal for walking, fishing, nature study and photography. People can picnic in the shade of weeping willows and watch the geese and other waterfowl - occasionally one can see migrating Ospreys. In the summer, the Park offers outdoor concerts and theater productions.

Besides the Parkland, there are several municipal buildings, the most important being the Ferry Terminal, where tickets are sold in summer for rides to Island Beach and Great Captain's Island. Green Fingers Garden Club has just finished refurbishing and replanting the terminal, making it the most charming "waiting room" in Town

It would be remiss of me not to mention Roger Sherman Baldwin, a well-respected Town - Father, who served on the Board of Estimate and Taxation for 29 years and among other achievements, was a leading proponent for the purchase of Greenwich Point.

Thus Roger Sherman Baldwin Park along with Bruce and Grass Island Parks are very important to heavily developed central Greenwich, as parts of an almost solid stretch of open space extending from the power plant in Cos Cob through Grass Island near Belle Haven.
